Introduction

Early Christmas in the Bush

If you wish to broaden your artistic knowledge, learn more about soft pastel techniques, the secrets of painting the bushveld or you just wish to do something therapeutic after all the Covid-19 stress then this one is for you!

4* Chameleon Bush Lodge, situated in the Big 5 Dinokeng Game Reserve, and David Johnson Art Tutorials have teamed together to offer you a holiday with a difference. The lodge is situated in the malaria-free central region of the Dinokeng Game Reserve, 40 km north of the Sefako Makgatho (Zambesi) intersection on the N1 North, on the Hammanskraal / Boekenhoutskloof offramp.

David Johnson is recognized amongst R.S.A.'s top Soft Pastel artists, specializing in bushveld, wildlife and cattle. As an art teacher he comes highly recommended. From beginners to the experienced, all are catered for. He will be hosting a 3-day art workshop (max 10 students) at the lodge, from Tuesday, 1st December 2020 to Thursday, 3rd December 2020.

Workshop Details

Day 1

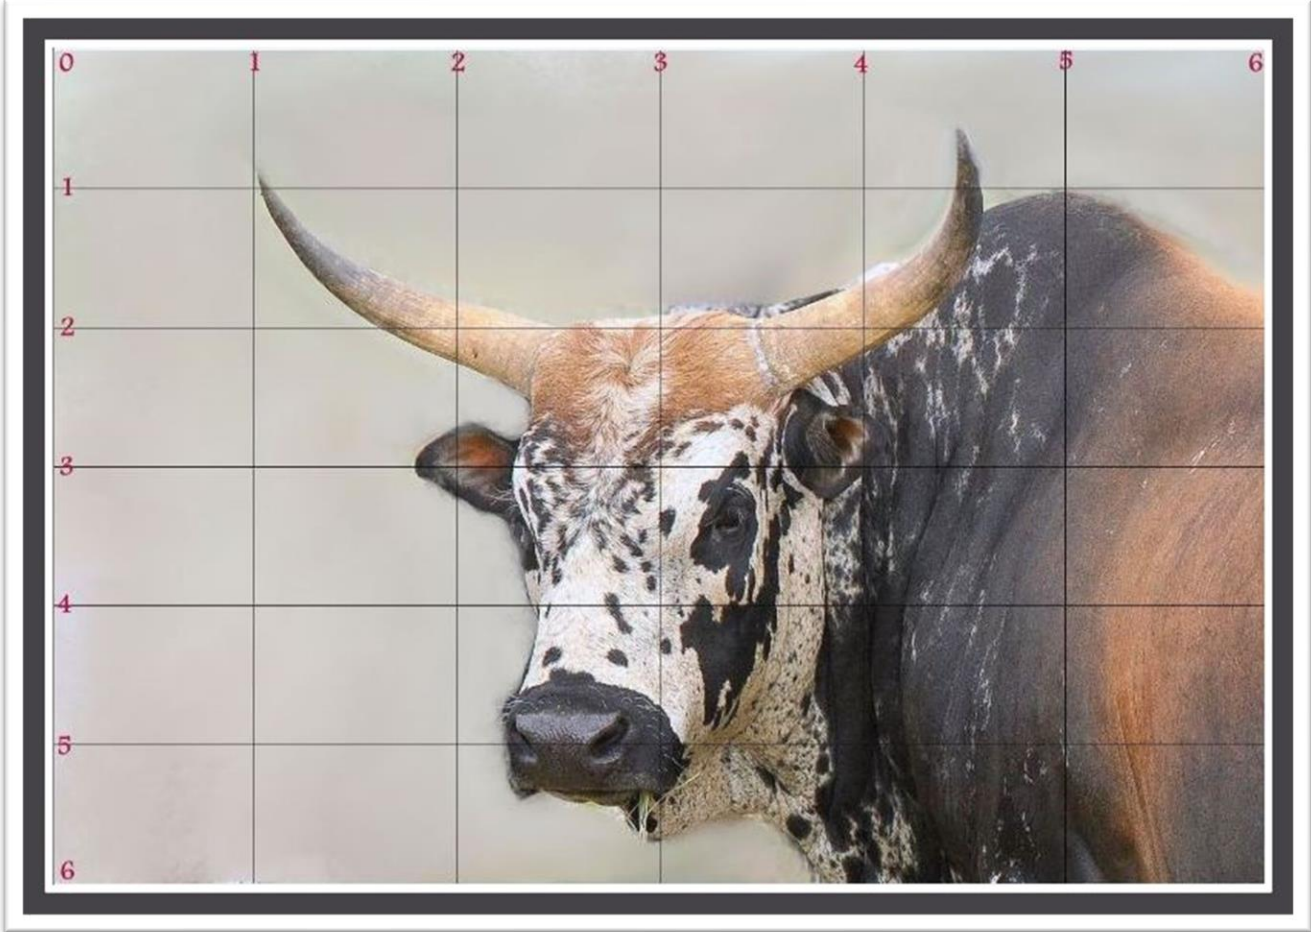

In this picture we deal with Fever Trees, riverine scrub and a sandy riverbed.

Day 2

Tamboti Tree in autumn shades is the main theme. Other aspects are the background bush, grass and waterhole.

Day 3

This is an extremely popular subject. We finish it in a day.

Workshop Format

The cost will be **R720.00 per day**. This is below the industry norm. Please pay our fee into below mentioned bank account and Chameleon Lodge's into their account.

We start at 9.00am and finish at 4.00pm with a morning tea break and a lunch break. Belinda will prepare a home cooked luncheon for you, which will be your main meal of the day. Thus, you will need to bring along your own breakfast and a light supper, plus cold beverages. A tea and coffee station will be available during the workshop.

The value you will derive from the course :

- The sharing of David's 33 years of experience in art plus his knowledge of the bushveld.
- You will go home daily with one 50 x 35 cm painting of a good quality. No need to be nervous, you will be taken through step for step. No prior experience is necessary. In fact, beginners do very well on the courses!
- If time permits, a demonstration painting will be done by David, which will be available for sale at R1800,00. Your chance to acquire a David Johnson at rock bottom price.
- All art materials will be supplied **free of charge**

The instruction medium will be in soft pastels. However, if that is not your medium of choice it is not problematic as the principles I share can be applied to any medium.

You will be required to supply the following :

- Pen and notepad.
- Wet cloth to wipe your hands.
- Masking tape, 2 cm.
- Fiesta hair spray (preferably green tin). No artists fixative Rubber.
- A 50 cm ruler.
- Plenty of enthusiasm and creativity.
- If you have your own table easel bring it along. If none, I can help.
- Your pastel painting can smudge so I will supply a piece of clear acetate to protect it.
- Once you have confirmed your booking, we will send you HD photos, which we will be using in the workshop. Load the pics onto your iPad or laptop to use for referencing, otherwise you will need print them out.

Summary

1. The selection of paintings was specifically chosen to cover as wide a variety as possible.
2. The most common comments after a workshop of mine is that it is such fun and relaxing!
3. If you wish to broaden your artistic knowledge, learn more about soft pastel techniques, the secrets of painting the bushveld or just do something therapeutic then this is just the event for you!
4. If you would like to bring your partner along, that would be in order.

See you there!

Kind regards,

David & Belinda Johnson
